

VOLUNTEER PROFILE

Dear Friend of The Netza Project,

Date:

We truly appreciate your interest in volunteering with our work in Mexico. In order to best match up your skills and interests with the service activities that may be available, we ask that you complete the following information and return it to us (or your Trip Coordinator) as soon as possible. If you wish to attach a Curriculum Vitae or other background info, please do so. We ask that all Volunteers commit to a minimum of 3 to 5 days, several hours a day and donate a minimum \$300 USD to The Netza Project to support our work. If there are special projects that you wish to undertake (ie. bookmaking, art, sports), please bring related supplies where you can.
